President's Message

The fall weather is finally here, cleaning the air and giving us much needed rain. Hoping everyone can enjoy some dry moments outside with their Kees. I'm sure they all appreciate this cooler weather as well.

A special thank you to Ann Elders for navigating our first pair of specialties on the same day! Thanks to everyone who participated in our August specialties - workers and exhibitors! Thank you to everyone who responded to our survey as we want your input on future specialties and other events.

Check out the article in this bulletin for more information on PCKC awards. Be sure to complete an awards application, if you qualify, if you haven't already done so.

Thank you to all the board members who have just completed the 2021-22 year and beginning the upcoming 2022-23 year as well as Gary Summers for continuing to produce our bulletins and update our website!! We are lucky to have Carol Voelker as secretary for another year!

It takes a village and PCKC is filled with wonderful people who share their time and talents for our PCKC community!

Best regards,
Gayle Garbush

Rescue Report October 2022

Well happily, unless you are hoping for a rescue, there have been no dogs come into PCKC rescue in the last few months. Pictured is the last PCKC Rescue, Osa (right), with her new sister Gasby. Funny thing...they were born within months of each other at puppy mills in the Midwest within a few hundred miles of each other. Already bonded, they keep each other and their family very busy.

The second picture is of Lewis (lying down) and Sanne (formerly Serena). Sanne was placed through PCKC several years ago and lives a full life of road trips, paddle boarding and hiking in the NW with her mom. Sanne often stays with Lewis and I when her mom travels. In fact, several of the rescues have been back to stay for days to weeks, so if you are planning a trip and need keesie care, contact me. Lewis and I are always happy to have company. powecl1@yahoo.com
