Rescue Report October 2023

What's better than a Keeshond, more Keeshonden! Pacific Crest Keeshond Club Rescue is in need of its member(s) offering their home for a rescued kees to land. There is no immediate need but that can change with an email or social media post.

I am currently fostering the club's recent rescue who will likely not be available for placement for awhile. If you've been interested in getting involved in rescue, contact me (powecl1@yahoo.com / 425-761-0302) or a board member. Here are photos of some past successes.

PCKC Christmas Party

After not having an in-person Christmas party since 2019, it was a delight to be guests of George and Rita Lenes in Kent again. George and Rita have hosted this party for many years, and we all missed being together. I found myself a bit anxious about it as I have so many wonderful memories of this event. To my delight this party was even more special!! Although some familiar faces were missing, we had a grand time! One special thought was the attendance of Stacey Lenes and Ryan Summers who were not even born when I attended the first PCKC Christmas party. It was a delight to be with our special friends—new and old.

Host Keeshond this year was Linda Hall’s Monty in all his furry glory.

We had our usual silent and tree auctions. George did his usual fun job of auctioneer. Linda contributed some of her special creations. We raised almost \$500. Proceeds from the auction were donated to the KCA Health Fund.

A very special Thank You to George and Rita for a fabulous party.

The Pacific Crest Keeshond Club was formed to promote communication among Keeshond owners primarily located in the Pacific Northwest and Washington State

The objectives of the Club:

To encourage and promote the quality breeding of pure-bred Keeshonden

To urge members and breeders to do all possible to bring the breed's natural qualities to perfection in accordance with the Standard of the breed as approved by the American Kennel Club as the only standard of excellence by which Keeshonden shall be judged.

To do all in its power to protect and advance the welfare and interests of the breed.

To conduct sanctioned and licensed specialty shows and obedience trials under the rules of the American Kennel Club and through the Club encourage sportsmanlike competition at dog shows and obedience trials.
