Specialty 2021

A special thank you to all who donated to the Trophy Fund.

This specialty has had many changes—Covid, Heat, OKC structure changes for the week—which has made us adapt to some social, parking, and other things. We appreciate your understanding, support, and participation. Thank you!

Catalog change – Since we posted pictures of past winners in a Bulletin last year, we did not include them in the printing. They will be reposted with this in email.

but laugh and talk of me as if I were beside you.
I loved you so. 'T was heaven here with you....

Gypsy - Am. Can.Ch. Trumpet's Innuendo for Thistledee July 20, 2011 to April 9, 2020

We had to say goodbye to our sweet girl Gypsy in April. She was such a wonderful girl, full of fun and a great love of her life. She loved the show ring and completed her titles on both sides of the border. She had 13 puppies in 4 pregnancies, and we still have one of her sons and two granddaughters with us as her legacy. Rest in Peace Sweet Girl, we miss you.

Darlene and Al Nickull

Sizzle - CH.Keesbrook Kealoha Miss B'Gottin April 10, 2009 to July 14, 2020

Still missing Sizzle's presence since losing her in Julyshe was my heart dog...Sweet loving devout companion...my agility partner for years...she loved racing around courses and earned several High in Trial awards along the way...Sizzle is greatly missed.

Moh – PCKC Rescue Not Available - November 23, 2020

He came into Pacific Crest Keeshond Club Rescue on 12/31/18 and never left. He came to rescue from a local shelter, probably would have been euthanized due to advanced age, pretty much coatless (having been shaved), and with a tail that could only be described as a "rat tail" but boy did he have a great grin!

Moh loved his foster brother, Lewis (WA), and Lewis him. Due to Moh's senior status and chronic illness, I knew he would be a difficult placement. He quickly attached to me and then there was no way I could let him go, being concerned it would break his heart...and mine. I also knew for a fact that Moh had been in and out of that shelter 3 times, so I was at least his fourth stop home-wise.

PCKC generously supported his medical costs, which were many....his chronic illness with quarterly labs and meds, a large growth that was removed from his leg, a dental and a few extractions. But one look at that grin and knowing his sweetness made it all worth it. Rest In Peace Sweet Boy. You are loved and you had lots of love to give.

Bondi – Arklows Splendid Chances February 26, 2010- April 26th 2021

Bondi was my sweet snuggle girl and she enchanted everyone with her happy friendly greetings and loving disposition. She would come up and stand with her front feet lightly upon you so you could give her hugs. She was a good patient mentor to both Jazz and Jax and was always the Ever Ready play bunny for Jax. She loved to chase him and be chased and she gave as much as he could dish out. I think he kept her young and playing well into her senior years and she taught him the joy in life. We will miss our little girl.

Teresa & Lyle Stahnke

Skipper – CH Novel’s Flying Dutchman January 29, 2010 - November 10, 2020

If there is such a thing as a heart dog, I am sure both me and my husband will agree Skipper was ours. I had no idea I would come home with a dog when I went with Linda Hall to pick up her pup Artie. Somehow it just seemed right that the two pups should stick together. They were good buddies and had many grand adventures together. We had chosen his call name as Skipper and his registered name was to be Novels Three Day Cruise, but alas that was not to be. As a pup he took a flying leap off our deck and became the “Flying Dutchman”. He was our Velcro dog and we miss him always by our side.

Gemma, - Kidkees Take a Chance on Me April 10, 2009 - September 27, 2020

Gemma was a sweet, barky girl who only did limited showing but she did get her Rally Excellent title and we played at agility together. She was a beloved member of our family, and we miss her very much.

Ginger walked out of the woods one January day and asked if she might come in and join our family. She was with us for almost 21 years and was an amazing girl and Gemma’s buddy.

Beau - Renton's Rainbeau September 9, 2005 – December 12, 2020

Beau was an awesome family dog! He was not meant for agility or obedience but had a great nose and loved scent work. He also was the dog that inspired me to attend the Northwest School of Canine Studies. He could read everyone's emotions and knew when someone needed a snuggle buddy. Love and miss him!

Tonic – CH Shamrock-Kealoha Buys Another Round 2010-2021

Tonic knew when I needed a laugh, comfort, or a walk. He liked visiting the town pier and enjoyed meeting people, showing his Keesie smile, and he patiently allowed children to pat his fluffy coat. Tonic is deeply missed by his family and Rosey, the dog he helped raise.
